

STXEAMTOWN

Stxeamtown is a futuristic novel set in a post-apocalyptic land in a society closely resembling that of its Yesterworld. As the citizens in its four major colonies try to recreate the Glory Days while ignoring their setbacks, they find themselves repeating the same mistakes of their past. The social and political animosity...

Reader's Opinions

Stxeamtown is my first steampunk genre experience and before reading this book I wasn't even familiar with its full definition. However, now I understand that the characters are retro-futuristic, living in a dystopian type setting that resembles a prudish almost Victorian society that engages weapons and machinery powered by steam.I...
