Reader's Opinions

Nobody writes dogs as well as Doranna. She understands their boundless joy, their loyalty and their worries so well she can make you believe that you are a dog. In this anthology, she's collected her best dog stories as well as terrific dog stories from other fabulous authors like Tanya Huff, Julie Czerneda, and Jennifer Roberson.

I didn't realize this book was a science fiction collection of stories when I bought it. The description on Amazon doesn't mention that. I was totally thrown for a loop when I started the first story; I almost quit right there. I decided to give it a chance and I'm glad I did. Although I'm not a science fiction lover, I did enjoy some...
