

INFORMATION GRAPHICS

How complex ideas can be communicated via graphics “If you can’t explain it simply, you don’t understand it well enough.”—Albert Einstein Our everyday lives are filled with a massive flow of information that we must interpret in order to understand the world we live in. Considering this complex variety of data floating around us, sometimes the best — or even only — way to communicate is visually. This unique book presents a...

Reader's Opinions

One of the best compilations of info graphics I've seen in one boom

Fantastic book!Forgot to add to my shelve, then I couldn't recall the title of the book for a while.I think I was reading this book in 2015, before I changed my phone to iPhone 6 in September.
