

TIGANA

Tigana is the magical story of a beleaguered country struggling to be free. It is the tale of a people so cursed by the dark sorceries of the tyrant king Brandlin that even the very name of their once beautiful home cannot be spoken or remembered. But years after their homeland's devastation, a handful of men and women set in motion a dangerous crusade—to overthrow their conquerors and bring back to the world the lost brightness of an obliterated name: Tigana. Against the magnificently realized background of a world...

Peek Inside the Book

And in that moment Dianora had a truth brought home to her with finality: how something can seem quite unchanged in all the small surface details of existence where things never really change, men and women being what they are, but how the core, the pulse, the kernel of everything can still have become utterly unlike what it had been before. Guy Gavriel Kay, Tigana //

Reader's Opinions

lovers of fantasy, lovers of myth. This rises above the fantasy genre, without question.

The premise of Tigana is one of the most interesting backbones for a fantasy story I've seen in a while: The Palm is being invaded by two competing foreign magicians, one of them is Brandin, better known as The Tyrant. The province of Tigana holds out for a long time, winning a big battle to keep their independence, and killing Brandin's...
