

AFTER THE SILENCE

Does following her passion mean losing her way? Marine Ben Corallis is an expert at facing death, but nothing comes close to the terror that grounds him when his wife is killed in a car accident the day he returns from...

Reader's Opinions

I really liked the premise of this book - looking to find yourself and not even recognizing yourself once you have. It is a touching romance without the physical component permeating the story. I especially fell in love with the children and Hope's growth throughout the book.
