

WHEN MEMORIES FADE

How do I let go of my past to receive God's future for me? Angel Roberts has embraced her new faith, but past memories remain fresh. When her beloved grandmother suffers a stroke,...

Reader's Opinions

I read the first book by Moody and really liked it; this one didn't grab my attention as much. I got lost at times and confused - could be the story, could be that I'm distracted since I'm recovering from surgery on Wednesday.

I did not realize that this was book 2 in the series. I read it for my W book in our group's A to Z Challenge. It was a great story, and I wasn't able to figure out who did it until near the end. I am going to make sure I read the other books in the series.
