

100 ARTISTS' MANIFESTOS: FROM THE FUTURISTS TO THE STUCKISTS

In this remarkable collection of 100 manifestos from the last 100 years, Alex Danchev presents the cacophony of voices of such diverse movements as Futurism, Dadaism, Surrealism, Feminism, Communism, Destructivism, Vorticism, Stridentism, Cannibalism and Stuckism, taking in along the way film, architecture, fashion, and cookery. Artists' manifestos are nothing if...

Reader's Opinions

interesting historical record interesting artistic record and makes you think you can skip any manifestos you don't like but they work. it's interesting and it's fun to see what they felt and how it all turned out especially the futurists it's good you can read it between novels

A useful and interesting book, but never going to change the fact that Modernism and I do not get on!! The manifestoes themselves are funny, bordering on the ridiculous at times, but the introductions to the movements and the main introduction tracing the rise of the manifesto are more useful to me as an enforced modernism student....
