

THE RED: FIRST LIGHT

"There Needs To Be A War Going On Somewhere" Lieutenant James Shelley commands a high-tech squad of soldiers in a rural district within the African Sahel. They hunt insurgents each night on a harrowing patrol, guided by three simple goals: protect civilians, kill the enemy, and stay alive—because in a for-profit war manufactured by the defense industry there can be no cause worth dying for. To keep his soldiers safe, Shelley...

Peek Inside the Book

Its the doom of our species that psychopaths always want to be in charge. Linda Nagata, The Red: First Light //

Reader's Opinions

Some great ideas but the execution could have been better in my view. This is a near future military sf novel taking place in 21st century US with a background of powerful Defense Contractors companies and emerging AIs. Still it's good enough I plan to read the next two books in the same serie.
