

# NEVERWYLDE

Just when they thought surviving on a strange half world couldn't get more difficult...Kyber, Kelen and the crew are proven wrong once again. Aliens and humans living together and surviving, it is possible. But with the food and water going bad, new deadly creatures attacking, and old enemies coming back into play, the odds just keep getting worse. The group knows their days are numbered...

## Reader's Opinions

Neverwylde Fantastic writing, I can't wait for the next in the series. This world gets weirder and more intriguing with each new book. I highly recommend.
