

ASPERGER SUNSET

Diagnosis: Asperger's Syndrome. Symptoms often only apparent when under stress. Witnessing a murder qualifies as stress. Russ Dante—math teacher, older brother, hobby artist—has a passion for sunsets and finds comfort in...

Peek Inside the Book

Asperger's Syndrome is a neurological condition, not a mental illness. Some parts of your brain are over-wired, and work more than other people's, and other parts are under-wired. They don't function the same way as in a typical person. In...

Reader's Opinions

Carol Shay Hornung has written an excellent first novel with a mystery that is engaging and educating. The protagonist's struggle with how to relate to the world around him in a meaningful way that makes a difference in their lives as well as his own -- was something that kept me turning the pages of this novel. I'm looking forward...

will need to do this late but i promise to do it!!
