

THE MAN WHO WENT UP IN SMOKE

His holiday has just begun: an August spent with his family on a small island off the coast of Sweden. But when a neighbor gets a phone call, Martin Beck finds himself packed off to Budapest, where a boorish journalist has vanished without a trace. Instead of passing leisurely sun-filled days with his children, Beck must troll about in the Eastern Europe underworld for a man nobody knows, with the aid of the coolly efficient local police, who do business while soaking at the public baths--and at...

Reader's Opinions

Martin Beck, the born detective and famous observer, constantly occupied making useless observations and storing them away for future use. Doesnt even have bats in the belfry-they couldnt get in for all the crap in the way. For those fans of Kurt Wallander there will be a deja vu moment...
