

THE REVOLUTION FROM ROSINANTE

THE CAMPBELL AWARD WINNING NOVEL. The reluctant revolutionary! Charles Cantrell thought he had enough headaches as project manager of a crew building a habitat on the asteroid, Rosinante. Then some dunderheaded politician back on Earth shipped several thousand perfectly innocent political prisoners to Rosinante to escape embarrassment. Suddenly, Charles found the habitat transformed from an engineering project to a colony - and he was in charge! Every one of the...

Reader's Opinions

I made it 45 regrettable pages in hopes that the over-bearing racism and sexism would abate. I survived the boring operations lecture on bottle necks and process flow. I made it past countless poorly crafted, overly long sentences. I gave up at the villification of lesbianism and promotion of prison rape. Save yourself.
