

HIROSHIMA

On August 6, 1945, Hiroshima was destroyed by the first atom bomb ever dropped on a city. This book, John Hersey's journalistic masterpiece, tells what happened on that day. Told through the memories of survivors, this timeless, powerful and compassionate document has become a classic "that stirs the conscience of humanity" (The New York Times). Almost four decades after the original publication of this celebrated book, John Hersey went back...

Peek Inside the Book

Over everything up through the wreckage of the city, in gutters, along the riverbanks, tangled among tiles and tin roofing, climbing on charred tree trunks was a blanket of fresh, vivid, lush, optimistic green; the verdancy...

Reader's Opinions

On 6th August, 1945 the first ever Atomic bomb was dropped on humanity. The location was Hiroshima in Japan. A lively city that was touted to be the capital of Japan at the fall of Tokyo in World War II was in a moment turned into a dead city with nothing but ruins. A Sample Picture: The devastation conceded some the existence of some...
