

MY LORD WINTER

Lady Jane Brooke sought shelter when her coach broke down, and found herself at the Earl of Wintringham's estate. Trying to conceal her identity, she introduced herself as a governess. Lord Winter, as the apparently cold earl was called, thawed in response to the delightful Miss Brooke, but she knew he would never approve of her deception. Regency Romance by Carola Dunn; originally published by Harlequin

Reader's Opinions

I have enjoyed all of Carola Dunns regency books I have read so far. They are a nice, quick, easy read and they have a Jane Austen feel to them. Each book is different enough from the others to feel fresh and her enjoyable writing style is consistent.
