

THE GRAIL PATH

The Grail Path guides the creative and emotional person through a mystical transformation that calms the emotions and brings clarity to the mind. It contains a detailed account of the transformative experience, as well as meditations, exercises, and visualizations that will deepen your mystical experience. Mystical Transformation should never cause catastrophic psychological breakdown. Time and time again, those who seek mystical transformation end up suffering physiological and psychological breakdowns never realizing that there were two paths to spiritual enlightenment. Many students and teachers do...

Reader's Opinions

I fall into the category of intellectual and this book is really not for me. The author does an excellent job of explaining The Grail Path for creative and emotional personality traits.
