

THE OBSESSION

Neil Macalister, a conservative and oh-so-proper lecturer of mathematics at the University of Edinburgh, thought he was happy with his sensible, ordinary life. But from the moment he laid eyes on Valentina Jason-Elliot, a sexually liberated woman ten years his junior, he became obsessed with having her. Neil quickly discovers there aren't any lengths he won't go to in...

Reader's Opinions

Short story. Neil is a mathematics professor who is settling at the age of 40 for a woman who is sensible. That is until he meets Valentina who is in Scotland to promote her writing. He overhears where she's going for a short vacation before the fair and thus begins a really hot encounter between the two of them. Loved that these...

Not the authors best, but it was okay. Quiet, humble math professor meets gorgeous and exciting author Valentina. (view spoiler) [They have a great weekend together but afterwards they each think the other doesn't want to continue the relationship. This is one of my pet peeves: where conflict is created from vague communication and inaccurate...
