

ZOMBIE MOUNTAIN

Los Angeles County park ranger, Jack Carter, is about to discover that not all is as it seems in his tranquil life. Once responsible for patrolling the many public parks, in particular the popular Griffith Park with its famous observatory and zoo, Jack is about to discover that a whole new kind of animal roams his woods. The undead kind. Now, with his daughter bitten, it's a race against time to save her—and stop a madman hellbent on destroying everything that Jack has fought so...

Reader's Opinions

Look it wasn't terrible and it had its good points but it definitely was not groundbreaking or anything. The writing style was poor at times, it was way too predictable, and the characters were all a jumble of clichés. I read this trilogy mainly because before I read the first book in the series I was in dire need of an easy, gory,...

The story got better as we went along; the characters more real and the storyline more stable. Book three focused more on the "agent in black" than the zombies themselves. A happy ending none the less, as all good fiction should.
