

# AS SHE CLIMBED ACROSS THE TABLE

What if your lover left you for, well, nothing? Literally nothing. Particle physicist Alice Coombs and her colleagues are on the cusp of an extraordinary discovery. They have created a void, a hole in the universe, a true nothingness that they have named "Lack." Philip Engstrand, a professor who studies other professors, has made a breakthrough of his...

## Peek Inside the Book

I'm learning to hate the sound of my own voice. Jonathan Lethem, As She Climbed across the Table //

My heart, to put it more simply, got nostalgic for the present. Always a bad sign. Jonathan Lethem, As She Climbed across the Table //

## Reader's Opinions

I have a bit of a crush on Lethem's brain. He makes a love story out of a self-deprecating academic in love with a physicist, with a null space (known as "The Lack") as a rival of her affections. The Lack has tastes of its own despite its nothingness - it likes pomegranate, and light bulbs, but it doesn't want Alice. Philip wants Alice...
