Reader's Opinions

So many red herrings in this book, you're in danger of crushing one when you turn the page. Lots of twists and turns to keep you guessing. I think character integrity was sacrificed a bit to keep the reader guessing. I liked this fast paced thriller book. Three and a half stars

There are so many twists and turns in the plot as to keep the reader in suspense until the very end. I would recommend this book to anyone who is looking for a good mystery novel with a romantic twist to it.
