

(R)EVOLUTION: ONE MAN'S LEADERSHIP JOURNEY

If people you work with get upset by what you say, is it your fault or theirs? What's more important in business-getting results or making your employees happy? What would you do if you were hired to make changes, but people complained about those changes and the way you made them? Eighteen months ago, Tom was hired to shake things up. Under his leadership, the company's profits increased and...

Reader's Opinions

What a refreshing way to present information on what executive coaching is and how a professional can benefit from using this tool to better themselves. This story is mostly set in a coffee shop during weekly meetings between a coach and their client. Such a creative tool to educate the reader on the types of steps and hard work that...
