

THE PSYCHOPATHOLOGY OF EVERYDAY LIFE

This collection of writings is famous for giving us the phrase 'Freudian slip'. It also builds up a strong social history of Vienna and the middle-class social milieu of Freud and his patients. Through a series of case histories, some no longer than a few lines long, Freud explores how it is that normal people make slips of speech, writing, reading and remembering in their everyday life, and reveals what it is that they betray about the existence of a sub-text or subliminal motive...

How far back into childhood do our memories reach? Sigmund Freud, Psychopathology of Everyday Life //

Reader's Opinions

I *want* to really like this book. Truly. I want to find it difficult to put down and I want to go recommend it enthusiastically to anyone who would listen to me. I mean come on, it's Freud! And everyday psychopathology! Wow!But I can't. I don't know whether I should be disappointed in the book or in myself. The topic of this book is...

Anyone who read his Interpretation of Dreams
